To: His Eminence Archbishop Sotirios,

Your Eminence,

Would you please point me to the section on the Greek Orthodox Archdiocese of Canada's website (i.e. <https://goarchdiocese.ca/>) or in one of your other, official, publications where you confirm that Freemasonry is not compatible with our Orthodox Christian faith and that it is forbidden for all Orthodox Christians to become or remain Freemasons and be in communion with the Church.

If you (or someone who speaks on your behalf) does not e-mail me back and provide me with proof of your renunciation of Freemasonry by January 31, 2024, I will have to point this out in an upcoming article / comment I plan to publish about Freemasonry.

May our loving and merciful Lord and Saviour, Jesus Christ, continue to shine His Light on you in 2024 ... and beyond.

Respectfully,
[REDACTED]
